

# ENTRANCE FEE

As of January 2022, Collier County facilities: Paradise Coast Sports Complex, North Collier Regional Park, and Big Island Corkscrew Regional Park will be charging a flat “team fee”. In lieu of a per person entrance fee and parking, as in the past, which is paid by individuals (parents and family members attending games), starting in 2022 the facilities are now charging a **FLAT TEAM FEE OF \$150.00 PER TEAM**. The Team Fee eliminates the individual (per person) entrance and parking fees. Note, this is a facility and a Collier County fee and not an Alliance Cup Pre-Season Friendlies fee.

With the Team Fee, no longer will wristbands be issued for entry, entrance and parking lines will now be avoided, thus removing such hassles with coming and going into the facilities.

The \$150 Team Fee is due by Thursday, August 11 (11:59 PM). **Late Team Fees will incur a \$25.00 late fee.**

Paradise Coast Sports Complex will be provided a list of teams playing and the facility will manage the collection of the Team Fee. Any questions, please email the Paradise Coast Sports Complex at [info@playparadisecoast.com](mailto:info@playparadisecoast.com).
