

Welcome to Paradise Coast Sports Complex!

The staff of Paradise Coast Sports Complex welcomes you to our world-class facility! We hope your experience at Alliance Cup Pre-Season Friendlies is productive, memorable, and fun. There are a few policies we'd like to make you aware of before your arrival.

Each person may bring a single personal water bottle when entering the complex.

You may refill your bottle at one of the water bottle refill stations.

Ice cold water coolers will be provided by Paradise Coast staff for athletes and coaches on each field.

NO COOLERS (team or otherwise) will be allowed into the complex.

Please leave coolers, bags, or lunch boxes containing food or drinks in your car. Alternatively, you may enjoy them at our Great Lawn (shown on site map) or in the parking lot.

Staff will be monitoring the food and beverage policy at the gates and coolers will NOT be allowed into the park. Coolers found in the park at anytime will be told to be removed. Medical exceptions will be made only for a personal-sized cooler.

Such exceptions will be made at the entrance gates by Paradise Coast staff.

Food, water, soft drinks, sports drinks, alcoholic beverages, and ice will be available for purchase inside the complex.

The Market, located at the South Gate, is a full-service convenience store to meet all your needs. Hot foods and meal items will also be available.

The Cove Beer & Wine Bar will be open beginning at 11am each day and remain open into the evening.

Food trucks will be available all day as well.

Water bottle refill stations can be found at the North Gate, South Gate, at the restroom facing The Factory by Field 1, and the west side of the Stadium (North and South ends).

We thank you for your cooperation and we welcome you to Paradise Coast!
